

Waterways for Wildlife

Offaly Grand Canal Biodiversity Survey Day

Date: **Wednesday 16th August**, Time: 11:00 to 15:00

Location: **Pullough, Co Offaly**

Meeting point: Confirmed upon booking

Booking: conservation@iwt.ie

Join the Irish Wildlife Trust for a community Canal Biodiversity Survey Day

This event will provide training in bee and butterfly identification and canal habitat surveying. It will consist of an indoor presentation followed by an outdoor session, when we will survey a section of the local canal for trees, flowers, aquatic life, pollinators, and other wildlife. This workshop will introduce you to the fascinating world of our waterways natural heritage.

Booking is essential for this workshop. Contact us at conservation@iwt.ie for booking

This Project is funded by Waterways Ireland and Offaly County Council
