## **COMMUNITY INVOLVEMENT IN ROAD WORKS**

### **GENERAL CONDITIONS**

1. The Scheme will apply to roads, which will benefit two or more property owners.
2. The Scheme will be generally confined to county roads on which the local residents and users would be easily identifiable. The works to be carried out by the local residents include the following:
  - a) Opening drainage both in adjoining lands and alongside roadways.
  - b) Piping drainage under gateways
  - c) Provision of hard stands on private lands in the vicinity of gateways and between the gateway and the metalled road surface.
  - d) Removal of overhanging branches to provide a minimum clear height of 25 feet above road surface.
  - e) Removal of grass banks to aid road drainage.
  - f) Providing gully traps at suitable locations and piping to drains, where appropriate.
  - g) Replacement of fencing.
3. Offaly County Council will carry out all pavement repairs and road resurfacing, and will supply materials as necessary.
4. The value of the contribution and/or works carried out by the local residents must meet not less than 25% of the total cost of the project.

## **5. OPERATION OF SCHEMES**

The scheme will be operated through the Local Area Engineer's Office. The appointed representative will liaise with the Engineer in regard to the work required. The representative will subsequently inform the Area Engineer of the proposed working dates and the Area Engineer and his staff will supervise same as it is being carried out.

When the work is completed satisfactorily, the remainder of the works on the road including piping, strengthening and reshaping will be undertaken in the normal manner by the Council.

The person or group (and each member thereof) carrying out the works with the consent of a road authority will be indemnified by the authority against all actions and claims howsoever arising in respect of the works, and the carrying out of works, providing the works are carried out in a bona fide manner and in accordance with any conditions, restrictions or requirements specified by the road authority.
