PURPOSE

The Professional Artists Support Scheme is designed to assist artists working across art mediums, i.e. visual art, performance, literature, dance, digital media, sculpture, theatre, music.

Artforms can include:

- Visual Artists– for the creation of new work / improving the quality of an artist’s practice, development of skills
- Music – to cover all forms of original music creation - i.e. classical, jazz, traditional, folk, rock, etc – for the creation of new work / improving the quality of an artist’s practice, development of skills
- Theatre – for the creation of new work / improving the quality of an artist’s practice, development of skills
- Dance – will cover all forms of dance performance and choreography, e.g. traditional, contemporary, ballet, etc. for the creation of new work / improving the quality of an artist’s practice, development of skills
- Literature – offered to writers of creative writing e.g. poetry, drama, fiction, script-writing (not applicable to writers of local historical research or documentary) for the creation of new work / improving the quality of an artist’s practice, development of skills

This award scheme seeks to support professional artists¹ at any stage in their career, either born and who spent their formative lives in Offaly, or are currently living in Offaly, in the development of their own arts practice.

Aims:

- Supporting the development of artist’s practice
- Contributing to the growth of skilled artists living in the county
- Encouraging artists to live and work in Offaly
- Contribution to and impact on awareness of the arts in Offaly

WHAT WE WILL FUND

Artists may only apply under one category.

A. Professional Development –

- a. Further training, workshops, or master classes. Professional training such as workshops or a masterclass, mentoring, travel grants within Ireland and abroad

¹ **Definition of Professional Artist**

*‘A Professional Artist can be defined as someone for whom their art form is their whole-time occupation **or** who holds a third level qualification in their field of practice **or** has been paid and advertised as a solo or leading performer/exhibitor in a state funded institution **or** has been published or produced by a recognised publisher or theatre/film company or venue **or** is recognised as a professional by his/her peers and received recognition in the form of commendations, rewards, awards, grants, appointments to panels, etc.

related to training requirements. The applicant/s must clearly define how this research period will develop the artistic skill of the participants and/or artists involved.

- b. Tyrone Guthrie Residency applications are max two- week per individual (dependent on number of applications received). Applicant will need to supply evidence of invitation from Tyrone Guthrie Centre or another nationally recognised residency to be considered for funding. The applicant/s must clearly define how this research period will develop the artistic skill of the participants and/or artists involved.
- c. Time /costs related to the research of new works – a detailed proposal will be required to demonstrate proposed time relating to a research proposal. The applicant/s must clearly define how this research period will develop the artistic skill of the participants and/or artists involved.

B. Creation of new work - To enable the creation of new work(s) (from any genre). Applicants must demonstrate on completion that the work will be presented, exhibited, published, performed and or disseminated or will be presented as a work in progress. The final report must demonstrate same. The award may cover and of the following:

- Research
- Arts Material costs – max award for materials assistance is €300²
- Exhibition costs (in dedicated publicly funded arts spaces)
- Recording, (sound / digital) Publishing costs (by an independent recognised publisher)

C. Reaching new audiences

- a. To enable an artist to carry out research towards the development of audience / participant reach across communities not usually engaged in the arts, e.g. this might take the form of a pilot project sourcing or working with a community group.
- b. Assistance for an arts practice / artist on projects that are working towards the development of audience / participant reach across communities not usually engaged in the arts. Projects must demonstrate a collaborative approach between the artist and the participants. Examples may include, but are not limited to, arts initiatives in informal education settings, healthcare, and community settings. They should inspire artists to engage, consult and collaborate with a community or place within county Offaly or provide opportunities for growth and development within the participatory arts sector. The applicant/s must clearly define how this collaborative/ participatory project will develop the artistic skill of the participants and/or artists involved.

FUNDING PROVISION

To Note: Funding offers usually range between 200 – 800 euro this is dependent on available budgets and proposals received. We may consider additional funding but only under exceptional circumstances and if budget allows. Payment of an Award is for specific activities as outlined in your application and cannot be transferred unless agreed in advance with the Arts Office.

² In this application Art Materials / Equipment refers to the required resources needed by an artist across all art practices to enable the creation of new work: visual artist materials, e.g. paints, canvas etc, computer software to create art works, digital equipment (**purchase of smart phones not included**)
