The closing date for receipt of submissions is **4pm Thursday 20th April 2023**

Introduction

Offaly County Council seeks quotations for the services of a consultant/facilitator to support the development of a new Arts Strategy for County Offaly. The successful Contract for Services will be to assist in the planning, consultation, writing and development of a new Arts Strategy for County Offaly.

This strategy will build on County Offaly Arts Strategy: Inspire | Imagine | Involve 2018-2022, which was Offaly's second published art strategy. The first published strategy was Offaly County Council's Arts Plan 2012-2016 (see <https://www.offaly.ie/eng/Services/Arts-and-Culture/Arts-Reports-Publications/>)

Requirements

1. The core work of the consultant/facilitator will involve working with the Arts Officer, but also others in the Community and Culture Section of the county council. The work will require a plan of the consultation approach and to facilitate consultation meetings (please see schedule for draft planned timeframe included on page 5). The consultant/facilitator will write the strategy in close consultation with the Arts Officer and will advise on and input into the development of the structure and content of each draft and the final version of the strategy. The consultant/facilitator will research the context of the strategy in relation to national and (in consultation with the Arts Officer) local policy and strategy which may be relevant to the Arts Strategy.

The Contract

The consultant/facilitator will work closely with the Arts Officer in developing a new arts strategy for Offaly and will be involved in the process from consultation to completion. The successful consultant/facilitator will have excellent knowledge and experience of local authority arts, strategic planning, national arts policy and strategy in addition to expertise across a range of contemporary arts practice (cross artform) in professional, community and voluntary arts practice
