

## Review of County Development Plan

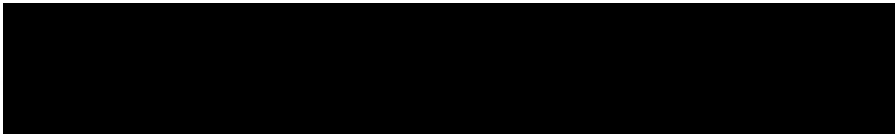

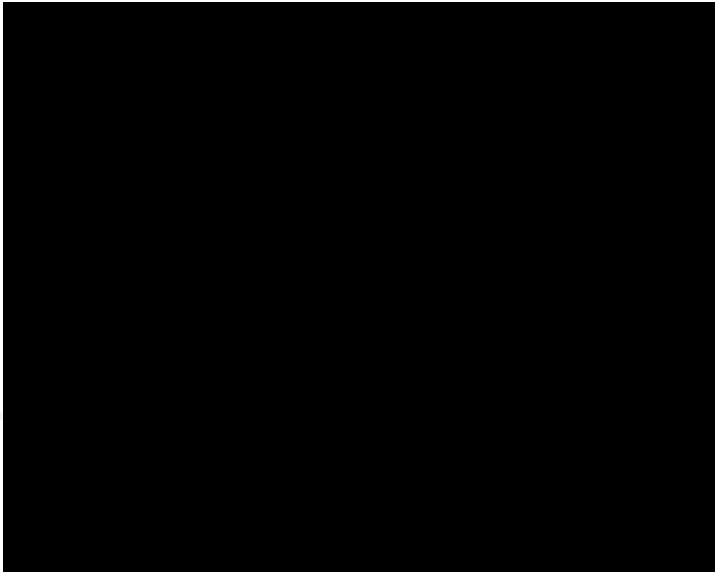

### Submission: Towns, Villages & Regeneration

1. Seir Kieran's Monastic Site needs to be better highlighted and promoted in the history & tourism of Offaly/Ireland as this is a hidden gem located in our little village of Seir Kieran, Clareen, Birr. Unfortunately, we feel that this monastic site is very under used and is in need of regeneration.

To our knowledge, the site falls under the remit of the Bórd of Works, and therefore assistance is required to further promote and enhance this wonderful site.

2. Seir Kieran parish are extremely honoured to hold a place of pride for their champion cyclist, J.J Kinahan from the 1900's, and would love to honour his name & his fame by installing a wall plaque or wall Muriel in the village of Seir Kieran.
3. The external area/grounds of our GAA Club are in urgent need of enhancement.
4. The car park opposite the church grounds which is used by the church, the parish hall and the school also needs to be enhanced as it is used by a lot of traffic and visiting people.
