

Dear Friend, we are trying to prevent a windfarm in our locality - and we need your help. We are making submissions under the Public Consultation Process to have Leamonaghan Bog removed as an area open to consideration to wind energy, in the Draft Offaly Dev. Plan. Submissions can also be made online by visiting [https://www.offaly.ie/occ\\_mini\\_websites/CDP/](https://www.offaly.ie/occ_mini_websites/CDP/) Please FORWARD this text to anyone who has NOT signed a letter. This information below can be copied and pasted - or edited as necessary. The more submissions the better. \*PLEASE REMOVE LEAMONAGHAN BOG AS AS AREA OPEN TO CONSIDERATION TO WIND ENERGY: Reference number : MA436 & MA443: • The Lemanaghan Conservation Plan, published by the Heritage Council which was sponsored by Offaly CC developed a plan to protect the area and it should be followed • Enormous records of archaeology have been recorded in Lemanaghan Bog, documented as one of the highest densities of wetland archaeology in the world - and should be protected. • Wildlife, biodiversity, and threat of Irish Birds in decline needs to be carefully managed, habitats should be encouraged not destroyed. • Noise Pollution, Flicker and Visual Amenity of this important cultural site should be considered. \*
