

Reference number : MA436 & MA443: PLEASE REMOVE
LEAMONAGHAN BOG AS AS AREA OPEN TO CONSIDERATION TO
WIND ENERGY: • The Lemanaghan Conservation Plan, published by the
Heritage Council which was sponsored by Offaly CC developed a plan to
protect the area and it should be followed • Enormous records of
archaeology have been recorded in Lemanaghan Bog, documented as one
of the highest densities of wetland archaeology in the world - and should be
protected. • Wildlife, biodiversity, and threat of Irish Birds in decline needs
to be carefully managed, habitats should be encouraged not destroyed. •
Noise Pollution, Flicker and Visual Amenity of this important cultural site
should be considered.
