

Reference number : MA436 & MA443: \*PLEASE REMOVE  
LEAMONAGHAN BOG AS AS AREA OPEN TO CONSIDERATION TO  
WIND ENERGY: • The Lemanaghan Conservation Plan, published by the  
Heritage Council which was sponsored by Offaly CC developed a plan to  
protect the area and it should be followed • Enormous records of  
archaeology have been recorded in Lemanaghan Bog, documented as one  
of the highest densities of wetland archaeology in the world - and should be  
protected. • Wildlife, biodiversity, and threat of Irish Birds in decline needs  
to be carefully managed, habitats should be encouraged not destroyed. •  
Noise Pollution, Flicker and Visual Amenity of this important cultural site  
should be considered.
