a) Cllr. J. Leahy

“Offaly County Council writes to the proprietors that are leasing their facilities for the use of Head Shops, outline O.C.C. dissatisfaction with the stigma that is associated with such shops. Bearing in mind the effect it is having on youngest and the indirect effect it is having on concerned parents and communities. Everybody has the right to make money but earning money on the back of vulnerable youths been exposed to such unknown substances does not make moral sense. The proprietors will have the option in the short, medium or long term to cease leasing their facilities to such shops when their current leases expire.”

b) Cllr. M. Buckley

“That Offaly County Council request information from the Minister for Enterprise Trade and Employment why the services provided by FAS Employment Services have decreased and in some cases been withdrawn in the County and Region.”

c) Cllr. M. Buckley

“That Offaly County Council write to the Minister for Education regarding the delay in the provision of a new school for Tullamore College and that we would get a timeframe for the works to be undertaken.”
